Our website is up and running.

We will be adding to the site regularly, so come visit often and share it with your friends and family. On your computer, tablet or phone, type in your internet browser:

www.liveoakscommunity.org

and take a tour around. "Community News", "Community Activities", the "Newsletter" and the "Calendar" are just a click away. There is a "Members Only Page" for information you need but the world doesn't (Association Finance Reports – Member's Phone List and, coming soon, a way to pay your dues by credit card). **See the clubhouse bulletin board or one of your Board Members for the "Members Only Page" password. Please don't share it with anyone that doesn't live here. This is a Private Page for you only.**

Community News page would like to feature great news of what's going on in our neighborhood like improvements to our community, new neighbors, and we're thinking of adding a "Swap Shop" section. If you have something to add, please go to the site and click on "**Contact Us**" to send an email with your ideas.

This is YOUR website – become a bigger part of it!

FOR YOUR SAFETY

Do you know the proper way to cross over the median when leaving the neighborhood heading north? Always stay to your right so you can see oncoming traffic.

If you are traveling 17N and turning left into the neighborhood, also stay to your right so not to block the car turning left onto 17N
